Dear Sir

**RE: ACCREDITATION OF NEAR EAST UNIVERSITY BACHELOR OF SCIENCE DEGREE
IN NURSING PROGRAMME**

We are pleased to report to you that Near East University has been accredited for a period of five (5) years for its four-year Bachelor of Science Degree in Nursing. The latest accreditation is the first Five-Year Accreditation that the international accrediting body, Nurses Council of Zimbabwe, has awarded to Near East University. The accreditation certificate should be renewed through an application six (6) months before the expiry date.

By pursuing and achieving accreditation, Near East University has demonstrated that it meets international standards for quality and is committed to pursuing excellence.

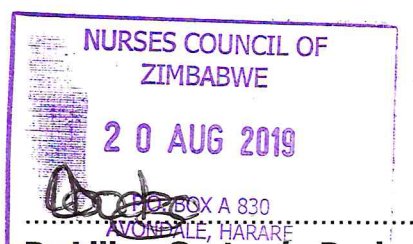

This accreditation decision represents the highest level of accreditation that can be awarded to an organization and shows our organization's substantial conformance to the international standards. Near East University which is an organization receiving a Five-Year Accreditation has put itself through a rigorous peer review process. It has demonstrated to a team of Nurses Council Assessors during an on-site visit its commitment to offering a nursing program and services that are measurable, accountable, and of the highest quality.

Nurses Council of Zimbabwe (NCZ) is a body corporate which was established in 2001 under the Health Professions Act Chapter 27:19 and it operates within the principles of corporate governance. NCZ is one of the seven health profession councils that make up the Health Professions Authority of Zimbabwe. It is a regulatory body which regulates nursing and midwifery education and practice. Its headquarters is at No.16 Dale Road, Marlborough, Harare, Zimbabwe.

Our organization will also display the Near East University Accreditation Status on Nurses Council of Zimbabwe Website. A letter of authorizing student attachment at Training Hospitals in Zimbabwe will be signed by the Permanent Secretary of Health and Child Care and forwarded to you.

We would welcome an opportunity to further acquaint you with our services and respond to your questions.

Sincerely

Dr Lilian Gertrude Dodzo
