NEAR EAST UNIVERSITY

FACULTY OF NURSING

UNDERGRADUATE PROGRAM in FACULTY OF NURSING

COURSE CATALOGUE

2021-22 FALL

➢ **QUALIFICATION AWARDED**

The students who successfully complete the program are awarded the degree of Bachelor of Science in Nursing

➢ **LEVEL OF QUALIFICATION**

This is a First Cycle (Bachelor's Degree) program.

➢ **SPECIFIC ADMISSION REQUIREMENTS**

In the framework of the regulations set by Higher Education Council of Turkey (YÖK), student admission for this undergraduate program is made through a university entrance examination called YKS. Following the submission of students' academic program preferences, Student Selection and Placement Center (ÖSYM) places the students to the relevant program according to the score they get from ÖSYS.

International students are accepted to this undergraduate program according to the score of one of the international exams they take such as SAT, ACT and so on, or according to their high school diploma score.

Exchange student admission is made according to the requirements determined by bilateral agreements signed by NEU and the partner university.

Visiting students can enroll for the courses offered in this program upon the confirmation of the related academic unit. Additionally, they need to prove their English language level since the medium of instruction of the program is English.

➢ **QUALIFICATION REQUIREMENTS AND REGULATIONS**

The students studying in this undergraduate program are required to have a Cumulative Grade Points Average (CGPA) of not less than 2.00/4.00 and have completed all the courses with at least a letter grade of DD/S in the program in order to graduate. The minimum number of ECTS credits required for graduation is 240. It is also mandatory for the students to complete their compulsory internship in a specified duration and quality.

➢ **RECOGNITION OF PRIOR LEARNING**

At Near East University, full-time students can be exempted from some courses within the framework of the related bylaws. If the content of the course previously taken in another institution is equivalent to the course offered at NEU, then the student can be exempted from this course with the approval of the related faculty/graduate school after the evaluation of the course content.

➢ **PROFILE OF THE PROGRAM**

The Purpose of the Near East University Nursing Faculty Undergraduate Education Program; To train nurses who have gained scientific understanding and competence, can integrate their knowledge and professional skills, have sufficient knowledge, skills and attitudes to provide comprehensive, qualified and contemporary nursing services in national and international health institutions, and have the awareness of protecting, developing and raising public health.

> **PROGRAM OUTCOMES**

	Program Outcomes
1	Be able to define the individual's physical, psychological, spiritual and socio-cultural characteristics.
2	Be able to know structure and functions of the human body in micro and macro level and relationship with each other.
3	Be able to use nursing scientific information based on the basic medical, science, social and behavioral sciences.
4	Be able to perform holistic nursing care approach for health promotion, prevention and care for alterations in health status of individual, family and public.
5	Be able to use interpersonal communication skills on nursing practice
6	Be able to use information and technology innovations for personal and professional development.
7	Be able to use English and Turkish languages to reach and be able to contribute to English and Turkish nursing literatüre
8	Be able to conduct the process of scientific research in order to contribute to nursing knowledge and to generate solutions into existing problems
9	Be able to use teaching and learning process in their nursing practice.
10	Be able to perform nursing practices in accordance with legal and ethical principles.
11	Determine the patient's nursing care needs and specific conditions..
12	Be able to use necessary cognitive and psychomotor skills for nursing practice.
13	Be able to use critical, creative thinking and problem-solving skills in their nursing practice.
14	Be able to use information related to the management activities in planning, organization, implementation, evaluation and
15	Be able to demonstrate life long learning responsibility.
16	Be able to perform collaboration and leadership with individual, family and health team in their nursing practice

> ➤ **OCCUPATIONAL PROFILES OF GRADUATES**

Graduates of the Nursing program are employed as nurses in TRNC, Turkey and in the other countries. Nurses can be offered job opportunities by health institutions (such as hospitals, health centers, rehabilitation centers), private health institutions (health clinics, private hospitals), hotels, schools, and by business centers where employing nurses must to be and in schools which train nurses.

> ➤ **ACCESS TO FURTHER STUDIES**

The students graduating from this program may apply to graduate programs.

> ➤ **PROGRAM STRUCTURE**

The undergraduate program in Nursing consists of 61 courses with 240 ECTS credits in total.

There are at least 4 courses in each semester, excluding common compulsory courses and elective courses.

In each program, there are common compulsory courses identified by the Higher Education Council of Turkey (YÖK) and other common courses determined by the University Senate.

There are at least 16 elective courses in each undergraduate program.

Elective courses of the faculty are offered every semester. Apart from the elective courses of the faculty, elective courses can also be taken from other faculties each semester.

COURSES OFFERED THROUGHOUT THE UNIVERSITY		
Common University Courses	Campus Orientation	The students are registered to this course at the beginning of the first semester of the freshman year to familiarize them with the campus life at NEU.
	Career Planning	The students are registered to this course at the beginning of their second semester of the freshman year to help them prepare for work life after graduation.

	Cyprus History and Culture	This course is taken by students in their freshmen year and it aims to help them to familiarize them with the local history and culture.
Common Compulsory Courses (YÖK Courses)	Turkish Language I-II (Turkish for Foreigners I & II to replace this course for international students) Principles of Atatürk and History of Revolution I-II	These are the compulsory courses which are required to be offered in all of the associate and undergraduate programs in Turkey according to the Higher Education Legislation.
	Information Technologies	This course is anticipated in all the associate and undergraduate programs in Turkey in order to make the students gain the qualifications related to basic information technologies.
	Foreign Language (ENGLISH) I & II	This course is offered in the first and second semester and conducted according to the program curriculum of each faculty.

Additional Notes
A total of 240 ECTS credits of courses are required to graduate. Nurses students must complete technical and non-technical elective courses to provide a total of 240 ECTS credits. Otherwise they will not be deemed to fulfill the conditions to graduate from the program.
If you need support for these courses due to your disability, please refer to Disability Support Unit. Contact; engelsiz@neu.edu.tr

> **EXAM REGULATIONS & ASSESSMENT & GRADING**

Exam Regulations and, Assessment, and Grading

For each course taken at NEU, the student is given one of the letter grades below by the instructor as the semester course grade. Each grade has also its ECTS grade equivalent

The table below provides the detailed information about the local letter grades, coefficients and ECTS grade equivalents.

SCORE	GRADE	COEFFICIENT	ECTS Grade
90-100	AA	4.0	A
85-89	BA	3.5	B*
80-84	BB	3.0	B*
75-79	CB	2.5	C*
70-74	CC	2.0	C*
60-69	DC	1.5	D
50-59	DD	1.0	E
49 and below	FF	0.0	F

*for these ones, the higher grade is applied

In order to be successful in a course, short cycle (associate degree) and first cycle (bachelor's degree) students have to get a grade of at least DD, second cycle (master's degree) students have to get a grade of at least CC, and third cycle (Ph.D.) students have to get a grade of at least CB to pass a course. For courses which are not included in the cumulative GPA, students need to get a grade of S.

Apart from that, each local grade has it is equivalent ECTS grade which makes it easier to transfer the grades of mobility periods of students. The chart above shows the ECTS grading system at NEU.

Also, among the Letter Grades;

I	Incomplete
S	Satisfactory Completion
U	Unsatisfactory
P	Successful Progress
NP	Not Successful Progress
EX	Exempt

NI	Not included
W	Withdrawal
NA	Never Attended

Grade of I (Incomplete), is given to students who are not able to meet all the course requirements at the end of the semester or summer school due to a valid justification accepted by the instructor. Students who receive a letter grade "I" must complete their missing course requirements and receive a letter grade within one week following the date the end of semester grades or summer school grades submitted. However, in the event of special cases, this period can be extended until two weeks before the beginning of registration for the next semester, upon the recommendation of the respective Graduate School department head and the decision of that academic unit's administrative board. Otherwise, grade of "I" will automatically become grade of FF, or grade of U.

Grade of S (Satisfactory) is given to students who are successful in non-credited courses.

Grade of U (Unsatisfactory) is given to students who are unsuccessful in non-credited courses.

Grade of P (Successful Progress) is given to students, who continue to the courses that are not included in the GPA that has a period exceeding one semester, and regularly performs the academic studies for the respective semester.

Grade of NP (Not Successful Progress) is given to students, who do not regularly perform the academic studies for the respective semester for courses that are not included in the GPA and have a period exceeding one semester.

Grade of EX (Exempt), is given to students who are exempt from some of the courses in the curriculum.

Grade of NI (Not included) is issued to identify the courses taken by the student in the program or programs which are not included in the GPA of the student. This grade is reported in the students' transcripts with the respective letter grade. Such courses are not counted as the courses in the program that the student is registered to.

Grade of W (Withdrawal) is used for the courses that the student withdraws from in the first ten weeks of the semester following the add/drop period, upon the recommendation of his/ her advisor and the permission of the instructor that teaches the course. A student is not allowed to withdraw from courses during the first two semesters of his/ her associate/undergraduate degree program and from those courses he/she has to repeat and received grade "W" before, which are not included in the grade average. A student is allowed to withdraw from two courses at the most during his/ her associate degree study, and four courses during his/her undergraduate study upon the recommendation of the advisor and the permission of the instructor that teaches the course. A student has to take the course that he/she withdrew from, the first semester in which it is offered.

Grade "NA" (Never Attended) is issued by the instructor for students who fail to fulfil the attendance and/or requirements of the course and/or who lose their right to take the end of semester exam because they failed to take any of the exams administered throughout the semester. Grade "NA" is not considered in the average calculations.

Both the ECTS grades and the local grades of the students are displayed on the official transcript of the students.

> **GRADUATION REQUIREMENTS**

In order to graduate from this undergraduate program, the students are required;

- to succeed in all of the courses listed in the curriculum of the program by getting the grade of at least DD/S with a minimum of 240 ECTS
- to have a Cumulative Grade Point Average (CGPA) of 2.00 out of 4.00

➢ MODE OF STUDY
