

NEAR EAST UNIVERSITY
FACULTY OF NURSING
20.../20... ACADEMIC YEAR SEMESTER
NUR 302 CHILD HEALTH AND DISEASES NURSING COURSE
CLINICAL PRACTICE EVALUATION FORM

EVALUATION COMPONENTS	POINTS	STUDENT ASSESSMENT SCORE
STUDENT QUALIFICATIONS	20	
Timely presence in the field of application	2	
Attendance throughout the clinical practice period	2	
Form integrity and competency	2	
Collaboration with the healthcare team	2	
Taking responsibility and participating in the practice	2	
Communication with staff at the clinical institution	2	
Communication with nurses at the clinical institution	2	
Communication with group peers at the clinical institution	2	
Communication with healthy/hospitalized children in the clinical institution	2	
Communication with parents who apply to the clinic	2	
CHILD PATIENT ASSESSMENT	20	
Ability to perform a physical assessment	4	
Ability to review the test results.	4	
Ability to obtain family history	4	
Assessment of functional health patterns.	4	
Ability to assess patient profiles and provide nursing interpretations.	4	
HEALTHY CHILD ASSESSMENT	20	
Ability to assess the child's anthropometric characteristics.	5	
Ability to explain the appropriate vaccination schedule for a child's age group.	5	
Assessment of the child's functional health patterns.	10	
NEWBORN ASSESSMENT	20	
Ability to perform a physical assessment	2	
Assessment of functional health patterns.	2	
Ability to assess reflexes	2	
To be able to assess the newborn's adaptation to the extrauterine environment.	2	
To be able to assess newborn nutrition.	2	
Assessing the newborn's elimination needs.	2	
Enabling mother-baby bonding	2	
Supporting breastfeeding	2	
Ability to assess the anterior and posterior fontanel openings of a newborn.	2	
Ability to assess the anthropometric measurements of a newborn.	2	
PROFESSIONAL PRACTICE	20	
Problem-solving skills	5	
Problem-solving approaches and suggestions	5	
Applying scientific research methods in practice	5	
Compliance with the hierarchical system	5
